ANNEXURE TO DIRECTORS' REPORT MANAGEMENT DISCUSSION AND ANALYSIS INDUSTRY STRUCTURE & DEVELOPMENT:

The main business of the company is manufacturing and sale of instrument cooling fans, exhaust fans and motors used in industrial and domestic purposes. The industry is directly related to the growth of the user industry in which the products find applications. The instrument cooling fans/motors are mainly used in the computer hardware equipments, power supply equipments, textile machines, refrigeration industry, injection moulding machines, photocopying machines etc.

OPPORTUNITIES, THREATS, OUTLOOK, RISKS AND CONCERNS:

In spite of continuance of global recessionary trends during the year under review, your company could not be much affected due to quality of its products.

The company is experiencing pressure on margins due to immense competition from international competitors. However the company is confident of adequately protecting its plans from the competition.

There is also pressure from rising cost of manufacturing of the products like manpower cost, processing charges and rent etc. These are risks and matter of concern and may affect the profitability of the company.

The general outlook with respect to this industry in India is of caution under immense competitive pressure. However the intrinsic strength of your company has helped us to effectively overcome such pressure and the sales therefore should register a modest but definite growth.

The company is regularly investing in modernization and up-gradation of its production facilities which poised the company to take maximum advantage of demand of its products.

The company's operations are predominantly comprises of only one business segment-Instrument Cooling Fans/Motors.

EXPORTS:

The company is holding DIN EN ISO 9001:2008 Certificate by TUV NORD CERT GmbH for its quality systems which reflects your company's continuous commitment towards quality & standards. During the year under review your company could be able to achieve export turnover of around 8.09% of total sales. The company is putting its best efforts to increase the export. The company is consolidating its resources to build a market presence in the international arena.

INTERNAL CONTROL SYSTEMS AND THEIR ADEOUACY:

Internal Control Systems are designed to ensure the reliability of financial and other record and accountability of executive action to the management's authorisation. The internal control systems are reviewed by the top management and by the audit committee of the board and proper follow up action is ensured wherever required.

SCHEDULE 17

NOTES FORMING PART OF THE ACCOUNTS FOR THE YEAR ENDED 31^{51} MARCH 2010

1. SIGNIFICANT ACCOUNTING POLICIES

A) ACCOUNTING CONVENTION

The accounts are prepared on historical cost basis on a going concern and adjusted by revaluation of certain plants & machineries, moulds & dies, office equipments and leasehold land. Accounting policies not referred to otherwise are consistent with generally accepted accounting principles.

B) RECOGNITION OF INCOME AND EXPENSES

All income and expenses are accounted for on accrual basis.

C) FIXED ASSETS

Fixed assets are stated at cost of acquisition and subsequent improvement thereto inclusive of taxes, duties (net of cenvat), freight and other incidental expenses relating to acquisition, improvement and installation, except in cases of revaluation of such assets where it is stated at revalued amount.

D) INTANGIBLE ASSETS:

Intangible assets are measured at cost and amortized so as to reflect the pattern in which the asset's economic benefits are consumed.

E) CAPITAL WORK IN PROGRESS

The cost incurred for fixed assets, the construction of which is not completed, are included under "capital work -in progress" and the same are classified and added to the respective assets on the completion.

F) DEPRECIATION

Depreciation on all the assets is provided for on straight line method at the rates & manner specified in Schedule XIV of the Companies Act, 1956.

Depreciation in respect of addition to fixed assets is provided on pro-rata basis from the month in which such assets are acquired/installed.

Depreciation on fixed assets sold, discarded or demolished during the year is being provided at their respective rates up to the month in which such assets are sold, discarded or demolished.

G) INVESTMENTS

Long-term investments are accounted and valued at cost. Short-term investments are being valued at cost or market value whichever is lower.

H) INVENTORIES

- a) Inventories are valued at lower of cost and net realizable value
- b) Cost of inventories is assigned by using the FIFO formula.
- Goods in transit, if any are stated at actual cost incurred upto the date of the balance sheet.

I) FOREIGN CURRENCY TRANSACTIONS

- a) All the transactions including transactions of acquiring fixed assets, in foreign currency are recorded by applying the exchange rates at the date of the transactions.
- b) Monetary items denominated in foreign currency remaining unsettled at the end of the year, are reported using the closing rates. The exchange difference arising as a result of the above is recognised in the profit and loss account.
- c) In case the monetary items are covered by the foreign exchange contracts, the difference between the year end rate and the exchange rate at the date of the inception of the forward exchange contract is recognised as exchange difference.
- d) In respect of hedging transactions, the premium/discount represented by difference between the exchange rate at the date of the inception of the forward exchange contract and forward rate specified in the contract is amortised as expense or income over the life of the contract.

J) EMPLOYEE BENEFITS

- a) Employees' benefits under defined contribution plan such as contribution to provident fund and employees' benefits under defined benefit plan for cost of compensated absences are charged of at the undiscounted amount in the year in which the related service provided.
- b) Post employment benefits under defined benefit plan such as gratuity are charged off in the year in which the employee has rendered services at the present value of the amounts payable determined using actuarial valuation techniques. Actuarial gain and/or losses in respect of post employment benefits are charged to profit and loss account.

K) BORROWING COSTS

The company capitalises interest and other costs incurred by it in connection with funds borrowed for the acquisition of fixed assets. Where specific borrowings are identified to a fixed asset or a new unit, the company uses the interest rates applicable to that specific borrowing as the capitalisation rate. Capitalisation of borrowing costs ceases when all the activities necessary to prepare the fixed assets for their intended use are substantially complete. Other borrowing costs are charged to Profit & Loss Account.

L) SEGMENT REPORTING

Segments are identified in accordance with the AS 17 taking into account the organizational structure as well as differing risks and returns. The business segment is disclosed as primary segment.

M) TAXATION

Income tax expense comprises Current Tax and Deferred Tax charge or credit. Provision for current tax is made on the assessable income at the rate applicable to the relevant assessment year. The Deferred Tax Assets and Deferred Tax Liability is calculated by applying tax rate and tax laws that have been enacted or substantively enacted by the Balance Sheet date. Deferred tax assets arising mainly on account of unabsorbed depreciation under tax laws, are recognized, only if there is a virtual certainty of its realization, supported by convincing evidence. Deferred Tax assets on account of other timing differences are recognised, only to the extent there is a reasonable certainty of its realisation. At each balance sheet date the carrying amount of deferred tax assets are reviewed to reassure realization.

N) IMPAIRMENT

In accordance with AS 28 'Impairment of Assets' the carrying amounts of the Company's assets are reviewed at each balance sheet date to determine whether there is any impairment. The recoverable amount of the assets (or where applicable, that of the cash generating unit to which the asset belongs) is estimated as the higher of its net selling price and its value in use. An impairment loss is recognized whenever the carrying amount of an asset or a cash generating unit exceeds its recoverable amount. Impairment loss is recognized in the profit and loss account or against revaluation surplus where applicable.

O) SALES

Sales are gross inclusive of excise duty, sales tax and charges received from the customers except the export sales, which is accounted without the excise duty. In conformity with the requirements of Accounting Standard '9'-'Recognition of Revenue' the sales are presented in the financial statement as Gross Sales less Excise Duty. Sales are presented in the financial statement net of inter divisional transfers.

P) CUSTOMS & EXCISE DUTIES

The custom duty payable, on imported materials lying at the custom bonded warehouses at the end of the year and excise duty payable, in respect of goods manufactured but not cleared from the factory premises at the end of the year, are neither included in expenses nor included in the valuation of the inventories of such materials/goods. Such duties are accounted for on actual payment on clearance of such materials/goods. This practice has no impact on the profits of the company.

Q) CENVAT CREDIT

Cenvat credit available on raw materials and packing materials, as per the provisions of Cenvat Credit Rules, has been accounted for by reducing the cost of respective material accounts.

Cenvat credit available on the capital goods as per the provisions of Cenvat Credit Rules, has been accounted for by reducing the cost of such input services.

Cenvat credit available on the input services as per the provisions of Cenvat Credit Rules, has been accounted for by reducing the cost of such input services.

R) EXPORT INCENTIVE

The benefits, on account of entitlement to import duty free raw material under the Advance Licence Scheme in respect of goods already exported, are not valued and brought into the books in the year of export. The raw materials are recorded at cost at which they are procured in the year of import.

S) CONTINGENT LIABILITIES

Contingent liabilities are not provided for and are disclosed by way of notes.

- In the opinion of Board, the current assets, loans and advances are approximately of the value stated if realized in the ordinary course of business. The provisions for all the known liabilities are adequate.
